

A-2021-24549

Manitoba Statistics

Data Description: Total number of travellers entering Manitoba from May 1, 2021 to November 30, 2021.

Month	Traveller Count
May	34,256
June	35,464
July	37,354
August	44,692
September	46,055
October	47,156
November	43,851
Grand Total	288,828

Data Description: How many of those (travellers) have been allowed to skip the 14-day quarantine requirement (with as much information as you can provide on the exemptions, such as how many of these exemptions involve truck drivers).

Month	Crossborder Worker	Essential Services	Medical Support	Other	Trade and Transport	Grand Total
June	2,426	848	164	523	17,257	21,218
July	2,217	948	227	482	16,140	20,014
August	2,184	1,043	173	292	15,479	19,171
September	1,738	379	108	186	13,136	15,547
October	1,599	263	77	239	13,860	16,038
November	1,257	198	91	218	11,197	12,961
Total	11,421	3,679	840	1,940	87,069	104,949

*Please note that exemption data is collected from the ArriveCAN and Contact tracing desktop applications only. The CBSA does not have access to information collected by contact tracing paper forms. Data only goes back to June 2021 (May not available).

Data Description: The number of people turned away from the land border in Manitoba, including the reason, method and citizenship (US and non-US), for the same time frame.
